SALT LAKE CITY, Utah; June 1, 2011— Connor Sport Court International was named as one of the "Zions Bank 'Speaking on Business' Top Businesses for 2010." The company was one of 12 businesses honored by Zions Bank's President and CEO Scott Anderson on Jan. 21.

Connor Sport Court offers wood products, sports flooring and indoor synthetic sports surfaces. Sport Court products are found in Europe, Asia, South America and many Caribbean countries and remains one of only a few companies to have installations on all seven continents.

'Speaking on Business' is a radio program highlighting the diverse businesses throughout Idaho and Utah. Since its launch in 1997, the program has featured more than 2,500 businesses. Listeners can hear about everything from a landscape design business to a beekeeper to an international ski supplier.

"It's the quality of Utah's and Idaho's business communities," said Anderson, "that will help drive the economy by creating new jobs and developing innovations that contribute to the quality of life in our states – and we'd like to honor those companies that strive to create this value."
